## DESCRIPTION

For the first time in the supermarkets and butcheries, the final customer could enjoy a turkey sausage, premium quality. In MRM we develop our sausages using only meat from turkey thigh and leg. The result is a high protein meat product where raw material doesn't come from recovery meat

## ADVANTAGES / ATTRIBUTES

- High meat percentage on product composition (↑ 80%)
- Special bouquet thanks to its natural smoked with beech wood
- 100% turkey meat, without meat mix with other raw material
- High protein content, perfect for child food

## CONSUMPTION / PAIRING

Although Premium turkey sausages from MRM has the perfect mix between salt and spices, it's a product which combine perfectly with ketchup or mustard, being part of a hot dog or simply roasted in a pan, chopped and plated up as a "tapa"
